

Texas Baptist Bible College
Life of Christ 2
Dr. Robin M. Webb, Instructor

I. Course Description:

This course will be an overview of the most fascinating life that has ever been lived. Even if Jesus had not been the Son of God and the Saviour of the world, His life still had more impact than any other life of any other man on earth. In order to have a proper understanding of the value of His life, it is imperative to understand the scriptures concerning Him. In the first semester, we will delve into the surroundings into which Jesus came. We will discover the political, social, religious and even the topographical nuances that He faced when He came into this world. Most definitely, our studies will be centered on Him and His influence on those whom He touched.

II. Course Objectives:

Upon completion of this course, the student will be able to:

- A. Recognize the purpose for the writings of each of the four Gospel accounts.
- B. Explain and identify the various purposes in the different miracles that were performed by Jesus while on the earth.
- C. Place the major ministry events and stories of the Gospel accounts into a chronological order, thus giving continuity to the Gospel narratives.
- D. Quote most of the important Christological passages from memory to aid in preaching, teaching and bible study.

III. Course Requirements:

- A. The student is required to memorize important, relevant verses to defend Biblical truth.
- B. The student is required to maintain a course notebook, including all: lecture notes, handouts, quizzes, tests, and course projects. Notebooks are due at the end of the semester.
- C. The Student is required to complete a course project by *December 10, 2015*.
